GRANTED A DIVORCE—Josephine Dolton was granted a divorce yesterday from Oliver L. Dolton in Judge Stanford's court.

WILL CLOSE FOR FUNERAL—Between the hours of 1:30 and 4:00 this afternoon, during which time the funeral service of Mrs. Henry Yaeger will be held, the Carnegie Public Library will be closed. Mr. Yaeger is president of the library board.

LOSES SUIT CASE—A. H. Middleton, of Placerville, Cal., reported to Chief of Police Brishols in a letter written from Yuma, Ariz., that he had lost a suit case while enroute from this city to Yuma, on the Southern Pacific. He believes the suit case to have been jacked up by mistake and asks the chief to express it to him if found in a car case with A. H. M. attached on it, etc.

AN ODD REMEMBRANCE—Governor Hunt yesterday received from Frank Welch, the Bisbee artist, a rather unique Christmas card, the card being a clean laundered cuff from a shirt. A picture representing the cuff was drawn on one side of the cuff by Mr. Welch, and some appropriate wording accompanied the illustration. The cuff came in the mail like an ordinary post card, and a two-cent stamp carried it. Several of Welch's drawings adorn the walls of the governor's office.

LEAP YEAR BALL—The Fraternal Brotherhood will hold a leap year ball at the Knights of Pythias hall on Saturday evening. This is really the regular open social night of the order, but the advent of the New Year is to be made a special occasion. There will be a special program by Lindstrom's orchestra and a right royal good time is assured all. The grand march will begin at 9 o'clock. For those who do not dance there will be cards and other diversions. A nominal admission fee will be charged. The public is cordially invited.

A SURPRISE CAR—The north display window of the O'Neill Auto and Supply company was treated with a coat of white paint yesterday, and from now until Friday morning what goes on behind that window will be a deep and profound secret. It is suspected, however, that there is a new model Chalmers, due to arrive here soon and that all the fuss is in preparation for the Phoenix appearance of the car, which is the one that made Maurice O'Neill so excited when he saw a flock of them in Detroit a few weeks ago.

MOOSE DANCE POSTPONED—The Moose dance, which was to have been held at the home this evening, has been postponed for one week, and will be held on Thursday evening, January 6, 1916. These affairs have become one of the most successful social events of the city, and at each gathering of this sort there is a large crowd that thoroughly enjoys the evening.

THE MEN WILL SERVE—The men will be hosts at the Country Club New Year's day. During the afternoon the bachelor members including among others, Hugh Marshall, Irvin De R. Miller, Arthur Halm and Ernest Bennett will be in charge of tea. The New Year will be ushered in with a brilliant ball and clever entertainment which is scheduled for the midnight hour.

SOCIAL WELFARE WORKER—Dr. Alice Barker Ellsworth, of Kalamazoo, Michigan, prominent in social welfare work throughout the country, arrived in Phoenix yesterday. She will pass several weeks in the city in rest and recreation. Dr. Ellsworth is particularly noted for her efforts along the lines of child rescue work. She is deeply interested in any branch of child welfare and during her stay in Arizona will visit the local institutions. She is the guest of Miss Oro Matthews, probation officer.

VERDICT FOR DEFENDANT—The case of H. W. Pointe vs. T. N. Clanton which has been occupying the attention of Judge Stanford's court the past two days was decided yesterday in favor of the defendant. The suit on note was first heard in the superior court, then appealed in the supreme court and sent back for trial. Rountree contended that Clanton bought stock in the Arizona Life Insurance company and gave his note in payment. This note, he said, was paid for his commission on the deal. Clanton, however, brought in court his receipt from the company for payment of stock.

STOCK BOARD MEETS—There was a meeting of the state livestock sanitary board at the state house yesterday afternoon, at which time the new member, Lon Harmon, attended his first meeting in an official capacity. At the meeting it was decided that the members should be present at the meeting of the American National Livestock Association, which is to be held at El Paso January 20-24, 1916. At that time the question as to the best means of enforcing the quarantine laws of the state will be taken up and the state board hopes to get some good pointers on the subject by attending the big A. TRIP TO TUCSON—W. W. Edwards, general manager for the Wakefield Grocer company, accompanied by his family, returned yesterday from a trip to Tucson where they were visiting relatives of Mrs. Edwards. The tour was made in Mr. Edwards' new Oldsmobile and the journey to Tucson occupied only seven hours' running time. The roads he found in good condition. They stopped enroute at Florence for a short time. The visit at Tucson occupied four days and in that time Mr. Edwards had four turkey dinners and enjoyed all of them. This was his first visit to Tucson in seventeen years. He has stuck as closely to business as any man in Phoenix, his only vacations consisting of two visits to his former home in Wales.

SAYS MURDER IS WARNING—Mrs. Eva Eddy of this city called at the Republican office yesterday and gave some additional facts regarding the murder of Henry Thomas, the youth whose body was found chopped to pieces in the reservoir at Williams a few days ago. Mrs. Eddy states that the young man came to her home some time in October and rented a small furnished house which she owns, near her home. He was known to have had several hundred dollars at the time he came here and Mrs. Eddy is of the belief that it was on account of the money that the young man was lured from the city by a stranger who represented himself to be a prospector. Owing to the fact that only the other day a young prospector was found murdered near Hot Springs Junction, attention has been called to the fact that it would be advisable for all young men who expect to go on prospecting trips with strangers to make thorough inquiries as to the character of the man or men with whom they are to make the trip, and thus avoid any such fate as has recently overtaken the two ill-fated gold hunters.

PEOPLE STAND BY TEACHER

But Trustees of Fowler District Still Regard Marriage as an Unpardonable Offense and Refuse to Reinstall Her

By a vote of 44 to 33 the residents of the Fowler district expressed their willingness to reinstate Carrie Green Billings, the teacher dismissed by the trustees of School District No. 45. It is understood that certain members of the board have declared that they will ignore the wishes of the majority of the voters and if that be true the "people" who favor the reinstatement of the teacher will begin mandamus proceedings against the board. By an agreement the board, comprising J. P. Ivy, Otto Green and H. E. Hammer, decided that no married woman would be employed in the schools. When Mrs. Billings was engaged to teach the youngsters it was under the name of Carrie Green. She kept her position six weeks before her marriage, which occurred during the summer vacation term, was discovered.

She was then dismissed. By a vote of five per cent of the voters of the district, the trustees were petitioned to call a meeting. They refused and the matter was brought into the superior court and pursuant to the court orders the meeting of yesterday was held. It was called at 9 o'clock and continued in session until after the noon hour. An amendment to the resolution was first offered and voted down and the following resolution was then passed by a majority of eleven:

"Resolved, That the board of trustees of School District No. 45, Maricopa county, Arizona, be and they hereby are instructed to settle and compromise the prospective litigation in which the district is likely to become involved, arising out of the recent dismissal of Carrie Green Billings in the following manner: That is to say, by immediately declaring vacant the position of primary teacher in said school district and by immediately thereafter reinstating Carrie Green Billings in the position of primary teacher of said school district upon the basis that she shall receive her salary for the entire school term without reduction on account of time lost through said dismissal."

Announcement of Engagement of J. Elmer Johnson to Miss Reay

One of the interesting engagements of the holiday season is made public this morning in the announcement of the engagement of Miss Florence Reay, daughter of Mr. and Mrs. Miles Reay, of Thatcher to J. Elmer Johnson, chief deputy clerk of the superior court. The wedding will be an event of early spring.

Miss Reay is a charmingly pretty girl who has been in Phoenix for the past year attending school. She is passing the holidays with her parents and on her return will continue her studies.

Mr. Johnson is a member of a prominent pioneer family. His father, the late Joel E. Johnson, was a well known rancher of the south side. The Johnsons have made their home in Mesa for more than a quarter of a century. Their son is a graduate of the University of Arizona. He has been an attaché of the court house for the past two years, having been a deputy in the recorder's office before he received his present position.

SAGE AND SULPHUR DARKENS GRAY HAIR

Brush this through faded, lifeless locks and they become dark, glossy, youthful.

Hair that loses its color and lustre, or when it fades, turns gray, dull and lifeless, is caused by a lack of sulphur in the hair. Our grandmother made up a mixture of Sage Tea and Sulphur to keep her locks dark and beautiful, and thousands of women and men who value that even color, that beautiful dark shade of hair which is so attractive, use only this old-time recipe.

Nowadays we get this famous mixture by asking at any drug store for a 50 cent bottle of "Wyeth's Sage and Sulphur Compound," which darkens the hair so naturally, so evenly, that nobody can possibly tell it has been applied. Besides, it takes off dandruff, stops scalp itching and falling hair. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning the gray hair disappears, but what delights the ladies with Wyeth's Sage and Sulphur is that, besides beautifully darkening the hair after a few applications, it also brings back the gloss and lustre and gives it an appearance of abundance.—Advertisement.

TO WELCOME NEW YEAR WITH DANCE

Cooks and Waiters' Union to Celebrate With Ball at Patrick Hall

Of the many social affairs being planned for the celebration of the transition from one year to another, tomorrow evening, none perhaps has been given harder work in the preparation than has the ball which will be given in Patrick's hall under the auspices of the Cooks and Waiters' union. For many weeks the arrangement committee, of which Dave Grey is chairman, has been devoting much time to considering and acting upon many suggestions which carry with them new and enjoyable features for an entertainment of this kind.

The balls which have been given by this organization in the past have made such a good reputation that the Cooks and Waiters' dance is looked forward to by many as one of the best of the season, and consequently the culinary are required to expend considerable effort this year to surpass their record.
Basso's orchestra will furnish specially selected music, there will be an abundance of good things to eat which will be dispensed free, and there will be several other features out of the ordinary.

If the new year is welcomed universally as merrily as it will be at Patrick's, it will surely meet some ovation.
